The Art of the Places

DelRay Tuscany

The Tuscany gas fireplace insert will turn your drafty wood-burning fireplace into an attractive, convenient gas heater. The beautifully detailed logs and faceplates look great, even when the fireplace is turned off. Flip the switch and see what really sets the Tuscany apart - the incredibly realistic flames. And, the efficient burner design, combined with Direct Vent technology, makes the Tuscany an excellent heater.

Check Out These Features:

- 35,000(NG) BTU/H Input on Natural Gas
- 33,000(LP) BTU/H Input on Propane
- 75% maximum Steady State efficiency
- Unique dual burner system provides a beautiful, realistic re-creation of a wood fire
- Equipped with Hi/Lo control to adjust flame and heat level. From a low, ambient flame to a full flame, this fireplace has the right setting for any situation
- Highly realistic fibre logs provide detail and the glow of a wood fire
- Ceramic glass window
- Brick lined firebox
- Convenient on/off control on the side of the faceplate instantly switches the fireplace from 'pilot' to full fire
- Dual fan for maximum heat distribution, with convenient variable speed control on the side of the faceplate
- Built-in heat sensor switch to control the fans automatically. The fans will activate once the fireplace has reached temperature. Upon cooling of the fireplace, the fans will automatically turn off.
- Self-generating millivolt control system
- 100% fail-safe shut-off valve
- Convenient piezo spark ignition

Faceplate Options

- Choose between three faceplates, each with a distinctive laser-cut design, and an outer cast-iron surround.
- The faceplates are finished in Satin Black, and the surrounds are finished in Charcoal Grey.
- Sunrise Pattern, featuring a graceful, arched top
 - Willow Pattern, features an elegant design, and a traditional shape
 - Traditional Faceplate, featuring a rectangular style without laser-cutting, except for a subtle pattern on the bottom panel

Tuscany Model 34DVi Insert Dimensions

Consult owner's manual for complete installation instructions and proper clearances to combustible surfaces prior to installing fireplace.

Warranty: The manufacturer warrants this fireplace to be free from defects in materials and workmanship at the time of manufacture. There is a limited 10 year warranty on the firebox; 5 year limited warranty on the burner and 1 year limited warranty on the pilot burner assembly and fan motors (if included). The valve carries a limited 1 year warranty unless otherwise specified in the installation manual. Glass, plated/painted finishes and refractory lining are exempt.

All specifications, product designs, materials and colours are subject to change without notice. The actual flame pattern and colour may vary slightly from the illustrations. Diagrams and illustrations not to scale.
